Rachel made the motion to provisionally accept the Financial report for January; Dan seconded the motion. Vote was taken, all in favor.

Report from the Chair: Harry brought up the Air Braking noise issue. Options were discussed, he will contact the D.A. and DOT to find out what options are available to us, given that we do not have an enforcement capability in our township.
Christina Mayer, candidate for Dunn County Circuit Court Judge introduced herself and spoke about her qualifications.
Public Comments: none
The STH 85 bridge Replacement and Dam removal project is back on; we have been contacted by Zenith Tech for a place to locate a field trailer. We do not want Huftel Hill Road to be used as a detour for large trucks, so the road is signed as Class B to limit the weight of the vehicles. Dunn County has indicated that they will enforce the restriction.

ATV/UTV ordinance: nothing new to discuss, our ordinance is remarkably close to the County's proposal. The local ATV club has put signs up indicating that all town roads are open.
Solid Waste Audit: Jon will be conducting an audit on a Saturday, probably March 6 to study what is being placed into the compactor, as an effort to satisfy some of the RU requirements. He will use the data to put together educational materials to send to our residents.
Fire Department: The Dispatch Service Contract with Township Fire Department was addressed. Dan made a motion to approve the contract, Rachel seconded the motion. Vote was taken, all in favor.
Bills were reviewed, authorized, and paid. The next monthly meeting is scheduled for Thursday, March 18, 2021 at the town hall.
Motion to adjourn was made by Dan and seconded by Rachel. Vote taken; all in favor.

Dated this 19th day of February 2021.
